Yuya Shimizu

yuya.shimizu@wisc.edu +1 (608) 886-6316 yshimizu-econ.github.io

Education

University of Wisconsin-Madison, Ph.D. in Economics 2021–May 2027 (expected)
Doctoral Minor in Mathematics
Committee: Bruce E. Hansen (co-chair), Jack R. Porter (co-chair), Xiaoxia Shi

University of Wisconsin-Madison, M.S. in Economics 2023

Keio University, M.A. in Economics 2018–2019

Keio University, B.A. in Economics 2014–2018

Research Interests

Primary: Econometrics, Causal Inference, Machine Learning
Secondary: Applied Microeconomics, Industrial Organization

Job Market Paper

"Econometrics with Pre-Trained Embeddings for Unstructured Data"

Publications

"Nonparametric Regression under Cluster Sampling." ***Journal of Econometrics*** 252 (2025), 106102.

"Doubly Robust-Type Estimation of Population Moments and Parameters in Biased Sampling," with Takahiro Hoshino. ***Stat*** 8(1) (2019), e241.

Working Papers

"Design-Based and Network Sampling-Based Uncertainties in Network Experiments," with Kensuke Sakamoto.

- Revision requested at ***Review of Economics and Statistics***

"Optimal Testing in a Class of Nonregular Models," with Taisuke Otsu.

- Revision requested at ***Econometric Theory***

"Testing Inequalities Linear in Nuisance Parameters," with Gregory Cox and Xiaoxia Shi.

Presentations

2026: Wisconsin Econometrics Student Seminar; Wisconsin Job Market Mini-Conference; Econometric Society Interdisciplinary Frontiers Conference on Economics and AI+ML (Ithaca); Chicago Booth AI and Economics Summer Conference; Midwest Econometrics Group (Cincinnati); Canadian Econometrics Study Group (Vancouver, scheduled); Southern Economic Association (Houston, scheduled).

2025: Wisconsin Econometrics Student Seminar; World Congress of the Econometric Society (Seoul); Midwest Econometrics Group (Urbana); Canadian Econometrics Study Group Meeting (Ottawa).

2024: Kobe University; Keio University; Wisconsin Econometrics Student Seminar; Econometric Society European Meetings (Rotterdam); Canadian Econometrics Study Group Meeting (Toronto); South-

ern Economic Association (Washington, DC).

Honors & Fellowships

Richard E. Stockwell Dissertation Fellowship, UW-Madison	2027
Best Student Paper Award, Midwest Econometrics Group (MEG) Conference	2026
Richard A. Meese Dissertation Fellowship, UW-Madison	2026
Walker Family Dissertation Fellowship, UW-Madison	2025
Juli Plant Grainger Outstanding Teaching Assistant Award, UW-Madison	2025
Department of Economics Fellowship, UW-Madison	2023, 2025
Summer Research Fellowships, UW-Madison (2024 with Kensuke Sakamoto)	2023–2025
Student Research Grants Competition (travel funds), UW-Madison	2024
Kanematsu Prize, Kobe University	2023
Keio Global Fellowship, Keio University	2021–2022
Takeo Yazaki Memorial Scholarship	2021
Research Fellow, Japan Society for the Promotion of Science (DC1)	2020–2021
Keio University Scholarship	2016–2018

Teaching Experience

Teaching award: Juli Plant Grainger Outstanding Teaching Assistant Award, UW-Madison (2025); Distinguished Teaching Assistant, UW-Madison (2024, 2025).

University of Wisconsin-Madison

Market Structure & Competition (Master), Grader	Fall 2026
Econometrics II (Ph.D.), TA	Spring 2025
Econometrics I (Ph.D.), TA	Fall 2024
Econometrics II (Ph.D.), Grader	Spring 2023
Econometrics I (Ph.D.) and Microeconomics I (Ph.D.), Grader	Fall 2022

Keio University

Artificial Intelligence and Industrial Economy (undergraduate), TA	Spring 2021
Independent Research Project C (undergraduate), TA	Spring and Fall 2018

Cabinet Office, Japan

Statistics and Data Analysis for Policy Making (graduate level), TA	Summer 2018

Research Experience

Research Assistant for Xiaoxia Shi	2022–2024, Summer 2025
Part-time Researcher, RIKEN	2020–2021
Research Assistant for Takahiro Hoshino	2018–2021
Project Research Fellow, Statistics Bureau of Japan, Ministry of Internal Affairs	2018–2019

Professional Service

Referee: Journal of Econometrics, Psychometrika, Annals of the Institute of Statistical Mathematics.

Discussant: Canadian Econometrics Study Group Meeting (Ottawa, 2025), "A New Design-Based Variance Estimator for Finely Stratified Experiments," by Y. Bai, X. Huang, J. P. Romano, A. M. Shaikh, and M. Tabord-Meehan.

Translation Work

Co-translator (responsible for Chapters 15–16), Japanese edition of G. W. Imbens and D. B. Rubin's *Causal Inference for Statistics, Social, and Biomedical Sciences: An Introduction*, supervised by K. Shigemasu and T. Hoshino (Asakura Publishing, 2023).

Additional Training

Machine Learning in Economics Summer Institute, Chicago Booth	2025
Econometric Society Summer School in Dynamic Structural Econometrics, UW-Madison	2024

Additional Information

Citizenship: Japanese
Languages: English (fluent), Japanese (native)
Technical Skills: MATLAB, R, Python, PyTorch, Julia, Stata, SQL, Git, Linux cluster computing
